

# AGENDA 2.1

## Overview of 5<sup>th</sup> IMT-GT Summit Directives

## 5<sup>TH</sup> IMT-GT SUMMIT DIRECTIVES

Directive	Actions by:
<p>1) <b><i>“We are pleased with the revitalized commitment and involvement of the IMT-GT states and provinces in identifying priority connectivity projects ... and urged them to work closely with the relevant central government in completing the required information on project scope, design and financing to expedite the process of implementation.”</i></b></p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> State/Provincial Planning Authorities (SPPAs);</li> <li><input type="checkbox"/> Supported by WGTI &amp; WGIT;</li> <li><input type="checkbox"/> Coordinated by NSs;</li> <li><input type="checkbox"/> Guided by ADB.</li> </ul>
<p>2) <b><i>“For the remaining two years of the Roadmap and beyond, we requested relevant ministries and officials to focus on the 12 Flagship Programmes to further streamline programme implementation for the remaining period of the Roadmap.”</i></b></p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> WGs &amp; JBC;</li> <li><input type="checkbox"/> Supported by SPPAs;</li> <li><input type="checkbox"/> Monitored by NS &amp; CIMT.</li> </ul>

## 5<sup>TH</sup> IMT-GT SUMMIT DIRECTIVES - 2

Directive	Actions by:
<p><b>2.1) “... urged relevant central agencies to support IMT-GT networking and to facilitate the founding of more Plazas in the IMT-GT area”.</b></p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> JBC &amp; WGIT;</li> <li><input type="checkbox"/> Supported by SPPAs;</li> <li><input type="checkbox"/> Monitored by JBC.</li> </ul>
<p><b>3.0) “ ... urged the Ministers, Senior Officials and other IMT-GT stakeholders to attach great importance to [the] report [on the Business Process Review] and to incorporate its recommendations on future strategies in order that a concrete implementation plan can be realized within 2011.”</b></p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> SOs, NSs, SPPAs, JBC, CIMT;</li> <li><input type="checkbox"/> Supported by ADB.</li> </ul>

## 5<sup>TH</sup> IMT-GT SUMMIT DIRECTIVES - 3

Directive	Actions by:
<p><b>4.0) “As the strategic thrusts of the IMT-GT Roadmap remain relevant, we urged the stakeholders to further pursue these strategies through an Implementation Blueprint (IB) that will guide IMT-GT cooperation beyond 2011. This task will involve further translating the sector strategies into a coherent and logically sequenced set of projects that could be reflected in a revised Action Plan Matrix...we requested the assistance of ADB to develop the IB for the period 2012-2016”.</b></p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> ADB and CIMT;</li> <li><input type="checkbox"/> Inputs from WGS &amp; JBC;</li> </ul>
<p><b>5.0 ) “..CIQ operations... should be complemented with standard rules and regulations, and supporting services such as Islamic and non-Islamic financing and insurance, to facilitate movements of traders, vehicles and goods across the borders.”</b></p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> WGIT, WGTI, JBC</li> </ul>

## 5<sup>TH</sup> IMT-GT SUMMIT DIRECTIVES - 4

Directive	Actions by:
<p><b>6.0) “... we request ADB and CIMT to undertake an Impact Assessment of IMT-GT Cooperation utilizing the trade, investment and tourism database once completed.”</b></p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> WGIT, WGT, ADB and CIMT</li> <li><input type="checkbox"/> Assistance from SPPAs;</li> <li><input type="checkbox"/> Assistance from ERIA.</li> </ul>
<p><b>6.1) “... urged the concerned officials to expedite the compilation of disaggregated [trade, investment and tourism] data at the state and provincial level to enable an assessment of the socio-economic impacts resulting from IMT-GT cooperation.”</b></p>	

## 5<sup>TH</sup> IMT-GT SUMMIT DIRECTIVES - 5

Directive	Actions by:
<p><b><i>7.0) "...We also tasked CIMT to draft the Framework of Cooperation in all potential areas to be deliberated at the next IMT-GT Senior Officials + Japan Meeting as a guide and reference for future cooperation."</i></b></p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> CIMT</li> <li><input type="checkbox"/> Input from NSs, WGs &amp; JBC</li> </ul>
<p><b><i>8.0) "...We highlighted the need to place Food Safety and High Value Agriculture as a key area of engagement with Japan under the IMT-GT-Japan cooperation. We tasked the relevant Working Groups to host a Joint Food Safety and High Value Agriculture Conference &amp; Exhibition with Japan as a pathfinder initiative towards charting a Framework of Cooperation (FoC) between IMT-GT and Japan. "...</i></b></p>	<ul style="list-style-type: none"> <li><input type="checkbox"/> NS-Malaysia, SPPA-Melaka &amp; CIMT;</li> <li><input type="checkbox"/> Supported by all stakeholders</li> </ul>
